Date: 05-07-17

Model plans with Detailed Project Report are invited from competent firms/individuals who has a track record of not less than 10 years in similar fields for restoring the heritage value and conservation of the existing 'Thattumalika' at north side of Thripunithura Sree Poornathrayeesa Temple including the utilization of the same to the capacity of Kalyanamandapam, Shopping Complex, guest house etc. The restoration should not affect the aesthetic view of the building and should be in accordance with the conservation architecture. The model plan and other details should be reached in this office on or before 25-7-17. The acceptance of the proposals will be done after scrutiny of all features and only after the acceptance further developments will be initiated.
